SUMMARY

I can contribute to your company for multiple reasons. Firstly, I've managed to work in a series of industries and have adapted my skill set to various jobs titles to show my employers I'm flexible and hard working. Secondly, my entrepreneurial spirit means I'm determined to contribute both as part of a team and on an independent level. I have a passion for making a difference therefore I believe I would be a valuable asset as I have a lot to offer hence this has helped me to succeed in the fields that I've had the opportunity to be a part of.
